Carthage Railroad.

This railroad extends eighteen and a half miles from Cameron to Hallison through the best section of Moore county.

Carthage, the county seat of this richest county in the centre of the long-leaf pine region, is situated on this road, ten miles west of Cameron, about 800 feet above the sea-level, and is noted for its pure and dry atmosphere and beautiful scenery.

As a resort it is a fitting spot in which to spend either winter or summer. Quite a number of Northern people visit this place annually.

As a fruit-growing section the country adjacent to Carthage is unexcelled in quality of soil and the climatic conditions are perfect.

Moore county offers to settlers and investors the greatest advantages to be found in the South. Truck and fruit-growers have here quick connection with Northern markets.

The people are the best and sturdiest class in the South and invite new comers of good character and honest purpose.

Business enterprises find here excellent locations and great inducements are offered.

The Aberdeen & Rockfish

RAILROAD, AND

Its Resources.

The business of this road, which has forty-four miles in operation, is increasing yearly.

It has developed a rich and prosperous section, well adapted to **TRUCK** and **FRUIT GROWING**, as well as **TOBACCO**, **COTTON**, **WHEAT** and other **STAPLES**. It is an excellent farming section.

BARGAINS IN LAND.

LANDS CAN BE PURCHASED ON REASONABLE TERMS AT LOW FIGURES, and the wise farmer can in a few years make enough to pay for his land. Climate, soil and quick connection to the Northern Markets make it an ideal section for growing early vegetables and fruit.

FINE TIMBER LAND SECTION.

The main freights of the **ABERDEEN AND ROCKFISH RAILROAD** in its early history were lumber and the products of the pine--Spirits of Turpentine, Tar, Rosin. It runs through a country that furnishes fine Juniper Poles, grows fine Cotton, and other crops that give heavy freights.

FINE WATER POWER.

On the line of the Aberdeen and Rockfish road is a **FINE WATER POWER**, furnishing sufficient power to run a large factory. It has been idle hitherto because far removed from railroad transportation. It is destined to be the site of a flourishing manufacturing town.

THE TOWN OF RAEFORD.

Located about midway on the line of the **ABERDEEN AND ROCKFISH** is situated the growing and prosperous town of **RAEFORD**. It has splendid school and church facilities, with enterprising and prosperous business houses that sell to a large section of the surrounding country.

FINE OPPORTUNITIES FOR INVESTMENT.

The building of the Aberdeen and Rockfish Railroad has opened up fine opportunities for investment, as well as unexcelled opportunities for home-making.

RALEIGH & CAPE FEAR RAILROAD.

Opportunities are afforded settlers along the line of this railroad such as are not equalled anywhere else in North Carolina. The country through which this system is operated is now being opened to investors and invitation is extended the best element of farmers from all sections of the country.

Farming land of unusual richness is ready to produce immense harvests, trucking is offered the best soil and climatic conditions, tobacco growers here meet with unparalleled success, and new comers are sure of finding themselves among the sturdiest people in the State.

FUQUAY SPRINGS.

The healthiest resort in North Carolina, with hotel and cottages open to visitors, has proven itself one of the most charming resorts in the South. The health-restoring qualities of the water have been given the highest recommendations by experts, and hundreds who have been benefitted bear testimony to its value.

Double daily train service is offered to the Capital City of the State, and in addition to this, at an early date through connection with eastern and southern sections will be established.

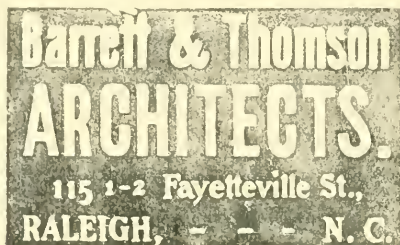

People of good character desiring new homes, men of money wishing to make safe investment, lumber men looking for the best field, and manufacturers who are seeking the best locations for their plants, should write

Raleigh & Cape Fear R. R.,

JOHN A. MILLS,

Raleigh, N. C.

-THE-

Atlantic & North Carolina R. R.

From Goldsboro to Morehead City, its Ocean terminus, runs, for a distance of 95 miles, through the centre of the great trucking belt of Eastern North Carolina, than which no section on the Atlantic Coast, from the Capes of Virginia to the Keys of Florida, is better adapted to or more productive in the growth of vegetables, both early and late, of every description, and of fruits, vines and grapes of every variety.

By reason of the great extent of its land waters, the climate is mild and temperate, and the occurrence of frosts—the great dread of Truckers—reduced to a minimum.

Its fine and unfailing natural pasturage, available during the entire year, renders it unsurpassed for Stock Raising and Dairy Farming. Large crops of the finest grades of "Bright Tobacco" are grown and sold at remunerative prices, while Grain of every kind is easily and profitably cultivated.

The soil is from a deep black to a light sandy loam.

In the Sounds and Rivers, fish and oysters and other water products are abundant, while the forest and fields are filled with game, from the bear and the deer to the rabbit and the quail.

The climate is salubrious and healthful.

The Winters are mild, the Summers pleasant.

Flowers bloom in open the year round.

Land values are reasonable, and settlers are given a hearty welcome.

The Atlantic Hotel and Cottages,

MOREHEAD CITY, N. C.

The management of the Atlantic & North Carolina Railroad Company desires to announce its recent purchase of all that splendid property located at Morehead City, its eastern terminus, the popular and justly famous Atlantic Hotel and Cottages. It is its purpose to do everything possible to make it in reality, what nature intended it to be, the best and most popular seaside summer and winter home on the South Atlantic Coast. Every facility for doing so will be provided for those, both in and out of the State, who desire to avail themselves of the comforts and advantages of this delightful spot.

For time tables or other information with reference to transportation, address, S. L. DILL, Gen'l Supt., New Bern, N. C.

JAS. A. BRYAN, President.

THE TERRITORY OF THE Atlantic Coast Line IS PRE-EMINENT.

Here are some of the staple crops of the different sections of this area:

All Vegetables and	Wheat,	Tobacco,
Small Fruits,	Corn,	Cotton,
Peaches,	Oats and	Peanuts
Grapes, Figs,	Other	Hay,
And Other Fruits.	Grains.	Rice.-

The policy of the Atlantic Coast Line is to foster all developments along its line. IT IS THE GREATEST TRUCKING ROAD IN AMERICA, and it provides every facility for getting farm, garden, and orchard products to the Northern Markets in best possible condition, in shortest time, and at lowest rates.

In no part of the country is there a greater abundance of game and fish than in the eastern counties of North and South Carolina.

Southern and Western farmers are invited to write for information in detail about the territory of the Atlantic Coast Line which extends through the States of Virginia, North Carolina, South Carolina, Georgia, Alabama and Florida.

THE ATLANTIC HOTEL,

MOREHEAD CITY, N. C.

North Carolina's Favorite Resort by The Sea.

This famous old seaside resort hotel will open for the season June 1st, 1903, under capable and efficient management directly under the supervision of the President and Board of Directors of the A. & N. C. Railroad. This famous hotelery has been made new from floors to ceilings, and such additions have been made as to make the season of 1903 the grandest in its history.

THE ATLANTIC HOTEL IS LOCATED NEAR CAPE LOOKOUT, and is one of the MOST POPULAR RESORTS ON THE SOUTHERN COAST, particularly with the people of North Carolina, Georgia, Tennessee, Alabama, and other Southern States. The pleasures at this historical resort are many and varied: EXCELLENT GAME-FISHING, UNEXCELLED AT ANY RESORT IN THE COUNTRY, such as the beautiful and dashing Spanish mackerel, the gallant blue fish, the massive drum, sheepshead and others too numerous to mention. SPLENDID YACHTING, BOATING, SAILING AND SURF BATHING; the largest ball-room in the South, with an excellent orchestra rendering daily concerts. The cuisine is all that could be desired with an abundance of sea foods, etc. Express and telegraph office in the hotel. If you wish to enjoy the summer months, go to

The legal rate of interest is six per cent. It is contrary to law to charge a higher rate.

The Highest Peak.

The highest mountain peak East of the Mississippi river is Mt. Mitchell, in North Carolina. It is 6,703 feet high.

The Boston Journal of Education,

Speaking of the new series of readers (GRADED CLASSICS) published by the B. F. JOHNSON PUBLISHING COMPANY, says:

“These Graded Classics are so admirably written and so beautifully made as to challenge comparison with any books made in the North.

“There is no reason why such books as these should not be used in Boston and Chicago as well as in Charleston and New Orleans.”

These books are not only being used in many of the largest and most progressive schools of the North and West, but they are proving a remarkable exception to the rule that a prophet (or a book) is not without honor save in his (or its) own country.

Here at home our greatest teachers delight to do them honor. A great host of Southern educators, including such men as PROFESSOR CLAXTON, recently of the North Carolina State Normal College, PROFESSOR C. ALPHONSO SMITH, of the State University, PROFESSOR WOOFER, of the Georgia Normal College, and PROFESSOR JORDAN, of the University of Arkansas, join with a like multitude from the North, including such authorities as MISS ELIZABETH HARRISON, of the Chicago Kindergarten College, MRS. LIDA BROWN McMURRY, of the Illinois Normal University, and MISS MARY CHEVES WEST, of the Horace Mann School, in singing the praises of this sane, up-to-date, artistic, satisfying series of readers.

Hyde's New Two=Book Course in English.

BOOK 1.

The Natural System of Vertical Writing.

BOOK 1 TO 8. INCLUSIVE.

Hyde's New Two=Book Course in English.

Adopted this year by the State Boards of Education of Indiana and Louisiana. The most popular series of Language Books and Grammars in the market. Their plan is rational, scientific and, so, pedagogical.

The Natural System of Vertical Writing,

Adopted for exclusive use in all the public schools of Missouri, Washington and Oregon. Adopted also by the State Boards of Education of South Carolina, Virginia and Delaware.

More than three times as many copy-books of this series have been sold during the past two years than can be counted for any other system of vertical or slant writing published.

The best educators of this country fully endorse not only vertical writing, but the Natural System of Vertical Writing.

North Carolina Teachers are invited to send for full information with reference to these books and their prices to the State, to

Democratic State Platform.—1902.

We congratulate the people of North Carolina upon the adoption of the suffrage amendment to our State Constitution, and upon the benefits that have resulted therefrom, and we pledge the Democratic party to faithfully maintain it by every legitimate means; and we demand that the Republican party shall declare its purpose either to accept or reject it, and until it is accepted as a finality by all parties we declare it to be the duty of the white people to stand together for all's protection.

The Democratic party, representing the intelligence, the virtue and the manhood of the people of the State, recalls with pleasure the entire absence of scandals during its administration of public affairs, and the gratifying advancement which has been made amongst us in all industrial lines. We have fostered agriculture and promoted manufacturing, and have given capital full security and have protected the rights of labor.

We pledge the party to a fair and just system of taxation, and we demand that all subjects of taxation shall bear their just and equal proportion of the burdens of government.

We renew our pledges for the extension and improvement of the public school system of the State, so that it may keep pace with the needs and conditions of our people. We point with pride to the great impetus and progress in this great work during the last two years, and call attention to the fact that this year, for the first time in the history of the State, every school district has been able to maintain a public free school for four months, as required by the Constitution. We believe that the permanent prosperity of the people of this State depends largely upon the construction and maintenance of good roads, and we pledge the party to the hearty support of all wise measures to that end.

We heartily commend and endorse the administration of Governor Charles B. Aycock and other State officials for their faithful execution of the party's promises, in so far as the same has been possible thus early in their terms of office. We likewise extend our appreciation and endorsement to United States Senator F. M. Simmons and to our Democratic Representatives in Congress, and congratulate them and the people of the State for their faithful official ser-

vices to the State in the councils of the nation.

We re-affirm our allegiance to the Democratic party and its principles as enunciated in its national platform.

We denounce the policy of imperialism as inaugurated by the Republican national administration, and declare it to be obnoxious to our form of government and fraught with danger to the very existence of the republic.

We denounce as oppressive and illegal those combinations of capital known as trusts and monopolies that stifle competition, throttle individual effort and destroy the generous spirit of rivalry that should exist in the commercial world.

We denounce the deceptive and illusory course of the Republican party in Congress, in furthering the existence of trusts, by its refusal to enact legislation restraining them and to enforce in good faith the existing laws against them, that party being in the full control of all branches of the government.

We denounce the present iniquitous, unjust and trust-creating protective tariff, imposed upon the people by the Republican party, and demand its immediate revision, to the end that all unjust burdens shall be removed, and specially those upon the necessities of life. Its provisions enable the trusts to extort from the people unreasonable profits and to sell their products to consumers at home at greater prices than are charged for the same goods to the foreign consumer. We demand, therefore, that all such trust-made goods be placed on the free list.

We favor the establishment of the Apalachian Park, and urge that our Senators and Representatives in Congress use their best efforts to secure its establishment.

We again appeal to the people with a confident belief that it is only from the Democratic party that there can be expected an honest, capable and efficient administration of the affairs of state, and challenge a comparison with the iniquities of Fusion and Republican rule.

We promise the people of the State a continuance of the honest, safe, conservative and economical government which has always characterized Democratic rule, and pledge our best efforts for the advancement of the material prosperity and happiness of the whole people.

Republican State Platform. — 1902.

We deplore and deeply mourn the death of President McKinley. His Christian character, noble impulses and patriotic spirit have done more to strengthen Republican institutions than any other agency which has been engaged in modern times; and his life and work will prove a tower of strength to the Christian religion and to ethical integrity and fidelity for all time to come.

While we deeply mourn the loss of our beloved President, at the same time we appreciate the fact that in President Roosevelt we have a President whose honesty of purpose and patriotism are such as to assure us that the affairs of the American people are in safe-keeping, and his faith in the principles of Republicanism is such as to guarantee a faithful adherence to those things that have made for this republic the splendid reputation which it now has as a world power.

We endorse the national platform of the Republican party adopted at Philadelphia, and point with pride to the unexampled prosperity which a Republican administration has brought to the country at large.

Intelligence being the corner-stone of the State, and the education of the masses being dependent solely upon our public schools, we favor the support by public taxation of at least a four-months school in every school district in the State, and we condemn the Democratic party for its failure to provide proper educational facilities for the education of the poor children of the State during its lease of power from 1870 to 1895.

We favor generous public aid to all charitable institutions of the State, and the enactment of such pension laws as will give the ex-Confederate soldiers a more generous and equitable distribution of this fund than is provided for by the present pension laws.

We favor such State legislation as will encourage the investment of capital, both foreign and domestic, and we respectfully invite capitalists from abroad to come among us and assist in the development of our wonderful resources.

We invite the attention of the people of the State to the clean, able and economic administration of our State government by the Republican and Populist parties from 1897 to 1901, and challenge a comparison of it with the present reckless management of our affairs by the Democratic party.

We arraign the leaders of the Democratic party as false to every pledge made in the

last campaign.

They promised to reduce expenses, and instead of doing so they have increased expenditures in almost every department of our State government.

They promised to curtail rather than increase the number of officers, and instead of doing so they have increased the number of judges and solicitors from twelve to sixteen, and have made other increases in providing for the employment of clerical help that has not heretofore been deemed necessary under similar circumstances.

They promised to reduce salaries, but instead of doing so they have increased the Governor's salary during his term of office, in violation of the Constitution, and have provided many ways by which the people are today taxed far in excess of any rate they have heretofore had to pay.

They promised to reduce taxation, and instead of doing so they have legislated so that our receipts increased within three years in the sum of \$800,419.97.

They promised to reduce expenditures, and instead of doing so, in three years they have increased expenditures in the sum of \$1,088,545.

They promised, by affidavit and otherwise, that no white man would be disfranchised under the amendment to our Constitution, but instead of observing their pledge with respect to this matter, the Democratic State Chairman is now forced to admit that 18,000 white men will be denied the right to vote at the approaching election.

We condemn them for their unwarranted effort to impeach two of our Supreme Court Justices for purely partisan purposes, for following precedents established by the Supreme Court of this State in a long line of decisions covering a period of more than sixty years.

We further condemn them for the enactment of legislation appropriating the money of the people for the purpose of defraying the expenses of persons indicted for the violation of laws which they had sworn to obey, and for granting amnesty to such persons from prosecution in the State courts.

We declare that when the Constitutional amendment was adopted by the people of North Carolina two years ago, it passed out of the realm of politics, and that if Governor Aycock, Senator Simmons and others keep faith with the people in the pledges then made, there can be no such thing as a race issue in the present campaign.

Indebtedness and Resources of North Carolina.

(From Commercial and Financial Chronicle.)

Admitted as a State	One of Original Thirteen.
Total area of State (square miles).....	52,250
State Capital	Raleigh...
Governor (term expires January 1, 1905).....	Charles B. Aycock.
Secretary of State (term expires January 1, 1905)	J. B. Grimes.
Treasurer (term expires January 1, 1905).....	B. R. Lacy.

Legislature meets biennially in odd years on the Wednesday after the first Monday in January, and there is no limit to length of sessions, but if sessions are continued longer than 60 days members "shall serve without compensation."

STATE DEBT.—The old debt, excepting such as is not recognized, has mostly been funded under the funding laws of 1879, the time prescribed for the exchange having been extended to January 1, 1903. These laws provided for the issue of (1) consolidated 4 p. c. bonds due in 1910 to fund old ante-war bonds at 40 per cent of face value, "New" railroad bonds recognized as valid at 25 per cent, and bonds of 1866 and 1868 at 15 per cent, nothing being given for overdue coupons; and (2) for new consolidated 6 per cent bonds due in 1919, for which the North Carolina RR. construction bonds were made exchangeable at par, holders of construction bonds abating \$240 of over-due interest on each \$1,000 bond. The new bonds, both 4s and 6s, carry tax-receivable coupons, and are exempt from "all State, county or corporate taxation or assessment, direct or indirect, general or special."

An amendment to the State Constitution passed by the Legislature in 1879 and ratified by popular vote in 1880, forbids the General Assembly to pay or recognize as valid the following bonds: Special tax bonds \$11,366,000; bonds to Chatham RR., 1868, \$1,030,000, and to Williamston & Tarboro RR., \$150,000; Penitentiary bonds of 1868, \$44,000. The special tax bonds are in 3 classes, class 1 bearing the coupon of April, 1869, and since; class 2 bearing the coupon of October, 1869; class 3 bearing the coupon of April, 1870. Holders of the special tax bonds brought suit to establish the validity of their bonds and the case was decided in favor of the State.

The recognized debt which had been adjusted up to December 1, 1900, stood as follows:

NAME AND PURPOSE—	Interest.		When Due.	Principal.	Outstanding.
	P.	Ct.			
Construction bondsc	6	A & O	April 1, 1919.....		\$2,720,000
Renewal bonds	4	J & J	July 1, 1910.....		3,397,350
Bonds of 1889—					
Prison debt bond.....	4	J & J	January 1, 1909.....		110,000
Prison farm bonds.....	4	J & J	January 1, 1909		60,000

PAR VALUE OF BONDS.—The consolidated 4s are \$50, \$100, \$500 and \$1,000; the consolidated 6s \$1,000 each. The prison bonds are for \$500 and \$1,000 each.

INTEREST on the consolidated 4s and 6s is payable in New York at the National Bank of the Republic and in Raleigh.

TOTAL DEBT RECOGNIZED AND TOTAL ADJUSTED.—The funding act of March 4, 1879, was extended to January 1, 1903. The recognized fundable debt which has been funded and the recognized fundable debt which has not been funded are as follows:

	Funded.	Not funded.
Consols 6 per cent	\$2,720,000	\$22,000
Consols 4 per cent	3,397,350	218,420

To the foregoing we should add the further fact that the State does not have to raise money for the interest on the six per cent bonds for the reason that the lease of the North Carolina Railroad provides a fund for the payment of the interest thereon, and the State holds three millions of the stock of the road, which if sold would much

more than pay the principal. In addition the State holds other stocks and bonds to the value of \$1,400,000; total, \$4,400,000.

ASSESSED VALUATION.—The State's assessed valuation (about 60 per cent of cash value) and tax rate have been as follows:

Years.	Real Estate.	Personal.	Railroads.	Total.	Tax Rate.
1900	\$165,968,278	\$86,925,457	\$31,447,553	\$287,339,288

1881	104,742,911	62,995,728	167,738,639	2.80

Famous North Carolina Horses.

ROBERT MEDIUM—Bay Horse—By Happy Medium—dam Sally by Yankee Tricks—at Goldsboro in 1899 trotted 3rd heat of race in 2:29. The first North Carolina owned horse to beat 2:30.

CLIPPER—Chestnut Gelding—by Melville Chief—was the first horse bred in North Carolina to beat 2:30, and also the first to beat 2:20.

PAMLICO—Bay horse—by Meander dam Birthday by Daniel Lambert, took a record as a four year old of 2:28 1-4—as a five year old of 2:16½. In 1893, at 8 years old, he reduced his record in five different races, winding up with a record of 2:10½. The next year he reduced this record to 2:10 in the 5th heat of a race in which he beat Azote, 2:04 1-4, who, up to that time, had trotted two years without meeting defeat. Pamlico will be voted by many horsemen to be the greatest race horse for business yet produced.

JOHN R. GENTRY—Pacer—Bay horse by Ashland Chief dam Dalen Wood by Wedgewood. His record of 2:00½ was, when made, the fastest pacing time on record, and only one horse has ever beaten it. He

is a horse of peculiarly fine finish and beauty.

GILES MEBANE, his son, by his record of 2:16 1-4, taken over the Raleigh track in the fall of 1901, gives promise of rivaling his sire, and his daughter, Eliza Ingram, will probably have the distinction of being the fastest trotter ever bred in the State.

GOVERNOR HOLT, by Pamlico dam Blondette by Leland in 1897, took a record of 2:15. This is the fastest record yet taken by a North Carolina bred horse.

LITTLE TOBE—bay horse by Pamlico from a pony mare took a record of 2:19 1-4 in 1894. This horse was only 14 hands and an inch high. With a little more size he would have been a marvel.

MAGGIE CAMPBELL—2:21 1-4, by Pamlico dam by Melville Chief.

EUFULA by Pamlico dam by Aecantom.

COCK ROBIN—by Franklin Chief dam by Maryland Volunteer.

MATTYE LYNN HOLT by Gregorian.

EVA M. by Pamlico.

RUBICO by Pamlico.

TITANIA by Oberon.

BIRD EYE by Belmont Chief.
